

PLUM COMMUNITY FESTIVAL

ELECTRICAL REQUIREMENTS

Fill out this form in its entirety. Amperage and Voltage information is extremely important and can be found on all appliances. Only 12 Gauge, grounded extension cords will be permitted.

Organization Name

Contact Name: Phone:

EMAIL:

If accepted as a vendor, you will be given ONLY the hookups appearing on this form. No additions will be made without prior approval of PCF board and electrician. You will be required to provide extension cords from tent to main box supplied. **All forms are due May 31, 2011.** Any vendor requesting a 220V line will be required to have adapter plugs.

Item	Quantity	Voltage	Amperage	Watts	Total Watts
